"The day I committed to join the **Revive Women's Retreat** with Life Coach **Jill Kersh** and many wonderful women will forever be the turning point that began the next phase of my life transformation. Although I was very grateful for the life I was living, I was not aware of the tunnel of everyday challenges I had been lingering through. Jill helped me become 'consciously aware' of my decisions, my thoughts and my future direction."

—Valerie, Vice President at AT&T, Emerging Consumer Markets
